INTERNAL QUALITY ASSURANCE CELL (IQAC)

Annual Activity Report for the Academic Year 2025–26

1. Introduction

The Internal Quality Assurance Cell (IQAC) continuously strives to enhance the quality culture of the institution through academic, administrative, and extension activities. During the academic year 2025–26, IQAC initiated and monitored several quality enhancement measures aimed at improving teaching-learning processes, research, innovation, student development, and institutional performance.

2. Activities Conducted During A.Y. 2025–26

S.No.	Activity	Outcome
1	Conduct of periodic IQAC meetings	Quality initiatives were reviewed and monitored.
2	Preparation and implementation of academic calendar	Timely conduct of academic activities ensured.
3	Collection and analysis of feedback from stakeholders	Suggestions incorporated for quality improvement.
4	Faculty Development Programmes, Workshops and Seminars	Enhanced teaching and research competencies.
5	Promotion of research publications and consultancy activities	Increase in research output and publications.
6	Encouragement for NPTEL/SWAYAM certifications	Improved faculty and student participation in online learning.
7	Organization of guest lectures and expert talks	Exposure to emerging technologies and industry practices.
8	Strengthening of AICTE IDEA Lab activities	Promotion of innovation and experiential learning.
9	Student skill development and value-added programmes	Improved employability and technical skills.
10	Promotion of internship and industry interaction activities	Enhanced industry-academia collaboration.

S.No.	Activity	Outcome
11	Monitoring of internal academic and administrative audits	Ensured compliance with quality standards.
12	Green campus and extension activities	Enhanced social responsibility and environmental awareness.
13	Collection and documentation of quality initiatives	Systematic maintenance of institutional records.
14	Preparation for accreditation and ranking activities	Continuous quality improvement and documentation.

3. Achievements

- Strengthened quality assurance mechanisms.
- Enhanced research and publication activities.
- Improved stakeholder participation and feedback systems.
- Encouraged innovation through AICTE IDEA Lab.
- Promoted outcome-based education and skill development.
- Strengthened industry interaction and student employability.

Conclusion

The IQAC successfully implemented various quality initiatives during A.Y. 2025-26, contributing significantly to the academic and administrative excellence of the institution.
