Department of Master of Computer Applications

Date: 29-11-2023

MINUTES OF MEETING

RESOLUTIONS TAKEN

1. Consider Item No.1.

- Resolved to ratify the proposed course structure for II Year's Master of computer Applications.
- The approved course structures are enclosed herewith.

2. Consider Item No.2.

- Resolved to approve the detailed syllabus for the Engineering Science & Professional Core Courses related to Computer Science and Applications.
- Required text books/reference books are approved.

3. Consider Item No.3

- Resolved to ratify the academic regulations of PG Programme.

4. Consider Item No. 4:

- Resolved to ratify the Model Question papers for Internal and External semester examinations of both theory and Laboratory subjects.

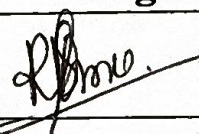

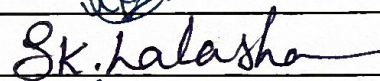

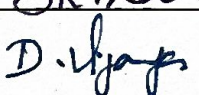

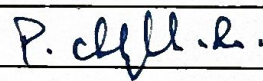

1. Proposed bridge course at the start of the I semester for non-computer background students.
2. BOS members suggested Computer Organizations syllabus has been minimized and operating systems syllabus has been elaborated in the course named "Computer organization and operating systems" for the I semester students.
3. Inclusion of python programming in II semester.
4. Experts suggested to incorporate the text books of latest editions in the syllabus.
5. BOS member suggested to include MOOCs course in the II semester.

Finally, Chairperson of BOS thanked all the members of their valuable inputs and active participation in the meeting.
